

IN NORTH TOPEKA

A Hobo Is Removed From an Embarrassing Position.

Two Alleged Corn Thieves Are Placed in Jail.

The principal obstacle encountered by most "bums" who beat their way across the country is the difficulty they experience in keeping on a train. It fell to the lot of one "ticketless" traveler whose journey ended in Topeka Saturday to prove the exception to the rule.

When 102 pulled into the Union Pacific station at 7:30 o'clock Saturday morning, Special Union Pacific Officer Gains detected the "traveler" wedged in between the end of the coal tender and the mail car. The man weighed in the neighborhood of 190 pounds, according to Gains's guess, and was in crowded quarters. How crowded they were, however, Gains didn't know until he attempted to dislodge the "guest." Gains delivered his most effective invitation to the "traveler" to leave with his pedal extremity. The man, however, made no apparent effort to remove himself. So Gains redoubled his pedal arguments. Then it dawned on him that perhaps the visitor was not a passenger, but a mover. Investigation disclosed the fact that the man had boarded the tender before the mail car was added to the train. When the addition was made, he was unable to get off.

He was released through the mail car, which had doors on both ends.

Help Themselves to Corn.

Several negroes who haven't fields of their own but can use corn have formed the habit of calling at the Munn farm, two miles west of North Topeka, when in need of grain. In the past few weeks a considerable quantity of corn has been removed and steps have been taken to end the practice.

Saturday night James Lewis and another negro named Hopkins were discovered in the field by neighbors who notified the sheriff's office. Hugh Larimer was sent out immediately. A short distance from the Munn place he met the two men, who had loaded a sack of corn on the back of a burro and were calmly marching on. Larimer persuaded them to change their course and to return to the field. They are now lodged in the county jail.

Promotion for Zarker.

Ralph Zarker, son of Mr. and Mrs. William Zarker, 1323 North Jackson street, and who formerly was employed at the Santa Fe Junction depot in North Topeka, has been transferred by the Chicago, Milwaukee and St. Paul railway, by whom he has been employed for several years, to Duluth, Minn. The new position, which is in the passenger department, is a decided advance over the place he formerly held. Before going to Duluth Mr. Zarker was in the passenger department of the road in Minneapolis.

Food Souring in Stomach Causes Gas, Indigestion

"Pape's Diapiesin" neutralizes acids in stomach and starts digestion.

Five minutes! No sourness, gas, heartburn, acidity or dyspepsia.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache, you can surely get relief in five minutes.

Ask your pharmacist to show you the formula, plainly printed on these fifty-cent cartons of Pape's Diapiesin, then you will understand why dyspeptic troubles of all kinds must go, and why it relieves sour, out-of-order stomachs or indigestion in five minutes.

"Pape's Diapiesin" is harmless; tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat; besides, it makes you so to the table with a healthy appetite; but what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many "Pape's Diapiesin" people who will call them, but you will be enthusiastic about this splendid stomach preparation, too, if you ever take it for indigestion, gas, heartburn, sourness, dyspepsia, or any stomach ailment.

Get some now, this minute, and rid yourself of stomach misery and indigestion in five minutes—Adv.

IT DREW THOUSANDS

Palace Opening Attracted Both Crowds and Dollars.

Thousands of Topekan and many out-of-town visitors marveled at the completeness of the Palace clothing company's new store when they visited it for the first time Saturday. The opening of the new four-story building was an entire success both from a pictorial and a financial standpoint. The silver grey oak fixtures throughout, beautified by floral decorations sent from admiring friends of the Auerbach & Guetzel company, gave the store a gala air. Many people just "looked" but many others bought of the tempting furnishings for men and women. The store was displayed for the first time.

H. A. Auerbach, manager of the store, was entirely pleased with the opening of his new store, which is a structural monument to his faith in Topeka. The employees of the company presented Mr. Auerbach with a silver loving cup in token of the twenty-seven years he has been in business in Topeka.

Topeka always has had a reputation of being the best retail town in the state and a look at the fine stores on Kansas avenue, among which the new Palace building stands out prominently, is indication enough that Topeka is living up to its reputation.

Hallen and Hunter hand out a bunch of jokes with violence and song accompanied by the Aerial Patts do midair stunts. The two stories will have a musical entertainment and the Paramount Traveling company will present the capital of Chili, on its tour of South America.
